

Take care – Hygiene instructions for dormitories

The dormitory office is closed.

As a precautionary measure against infection we ask you to...

- Pay attention to tidiness and hygiene in your flat, especially in the shared rooms
- Try to avoid close contact with other tenants
- Remember to wash your hands repeatedly with soap, e. g. when you enter or leave the flat, before and after cooking, going to the bathroom, after sneezing, etc.

If you have worries or questions, you can call the German Agency's information hotline. Tel.: 116117

In case you have severe suspicions on being infected with COVID-19, go to the university clinic's casualty department after having called a doctor:

Building No. 43, Josef-Stelzmann-Str. 24, 50937 Köln

Take care!
