How do I apply?
Our application process is very popular. Availability however is limited, so there may be waiting times.

When can I apply?
You can begin looking for your room before you begin your studies. You only need to submit your acceptance certificate from a college or university in order to sign a rental contract and start your search.

How should I apply?
It’s best to fill in the online application form on our homepage. We will confirm the receipt of your application by email. In this E-mail you must click on a link to access your information on our database.

How do I keep my application current?
To ensure that you are still looking for a room, we will send you an email asking if you are still interested. The link contained in this email must be clicked within five days to keep your information up-to-date. Otherwise we will assume that you are no longer interested in a dorm room.

How do I increase my chances?
• Apply as well as possible. The best time is as soon as you know that you will be studying in Cologne.
• Be flexible with your move-in date. Odds are significantly higher one or two months before or after the start of the semester.

In addition to the classic dorm-room with a shared kitchen and bath we also offer shared flats. There are mixed and same-sex shared flats. Also on offer are single apartments, family flats for students with a child and handicapped accessible living spaces. About half the rooms are furnished, the rest are unfinished. Standard features include fully equipped kitchens, laundry and drying rooms.
